Traffic + Lawn

Stop Traffic

Gently curving partitions create an arresting feature.

Partition 200.28.01 **Lighting** 800.06.01

Suspended partition with heat-formed Varia Ecoresin panel.

- (1) Varia Ecoresin® panel
- Panel heat-formed with 66° radius
- Suspend™ hardware system
- (2) cables with unique smooth or curved connectors
- Mount to concrete floor and wood block ceiling
- 3 week lead time

Suspended Light Art Element pendant.

- (1) Suspended light fixture with Varia Ecoresin in Translucent Suede
- 25 watt fluorescent
- Dimensions - 24"H x 9"W
- Matte silver canopy and silver cable
- All lighting components are UL listed
- 3 week lead time

Restore and
Replenish

Design has the power to transform more than just space.

3form® develops the Full Circle® Collection of products in collaboration with skilled artisans in diverse regions. From Africa to Nepal, we work directly with these groups to bring authentic regional hand crafts to the architecture and design community. Through this process we encourage the development of their skills, their business and ultimately the community at large.

Artisan soaking Lotka bark to make handmade paper

Through the Looking Glass

Noise & Decibel. A contemporary interpretation of antiqued mirror, Noise and Decibel play with reflections and transparency with echoing effect.

Hush Gesso

A high-angle, slightly blurred photograph of a modern office workspace. A person is seated at a white desk, their hands on a laptop keyboard. A bright blue, perforated privacy screen stands between the person and the camera. The desk is clean, with a laptop, a pair of glasses, and a document. A large window with black frames is in the background, and a white office chair is partially visible on the right.

STRUTTURA™

Contemporary structural cores
in over 10,000 color options

Work with Structure

Struttura Surf + Float Large + Surf

Float Through Exams

Struttura study carrels create privacy with light transmission. A very bright idea.

Partition 200.23.03

Struttura L-shaped study carrel.

- (6) Struttura™ Fizz, Float Large or Float Small fabricated partitions
- 3-5 mm × 1" pins included for installation stability
- Includes color matched inset color capped edge
- Angle can be specified in various degrees
- 3 week lead time

See page 42 of the 3form Ready to Go catalog

Struttura™ C3. Strength of Struttura with the creative possibilities of C3 Color.

Pep*

Cellular technology in an overlaid, circular repeat.

Float Large*

A circular geometric repeat with an airy aesthetic.

Float Small*

A smaller scale design for more intimate spaces.

Fizz*

An organic core design with an energizing appeal.

Duo

A twin wall system in a lightweight application.

Contemporary structural cores transform with almost limitless color.

* Subject of one ore more patents pending

30+ Standard Colors

Color Customized

For projects requiring cost effective, lightweight structure, specify Duo in one of our 30+ standard C3 colors. 3form C3 ensures you have the right material for your application.

* Subject of one ore more patents pending

Struttura Duo + Mai Tai

All Work, with Color Play

C3 Color combines with lightweight Duo to create work environments in playful hues.

Partition 200.21.03

Pressure-fit Struttura Duo partition system designed to accommodate a variety of configurations for refits and simple build-outs.

- (2) Struttura™ Duo panels
- Versa™ hardware system
- Slim profile posts
- Install to concrete floor and ceiling
- Modular system to create temporary rooms in different configurations
- 2 week lead time

See page 34 of the 3form Ready to Go catalog

Struttura Fizz

Sight Unseen

Struttura in an airy design creates privacy partitions that steal interest away from prying eyes.

Partition 200.22.03

With easy-to-install slim profile hardware, these privacy partitions provide a simple solution for a variety of reception or study areas.

- (10) Struttura Fizz, Float Large, or Float Small partitions
- Versa hardware slim profile posts
- Includes color matched inset color capped edge
- Ideal for HIPPA regulation privacy partitions for healthcare environments
- 3 week lead time

See page 44 of the 3form Ready to Go catalog

3form Light Art

Suspended Light Art blossom pendant.

Struttura Pep + Vitamin C

Steal the Limelight

A glowing reception, stunning shelves and flirty fixtures create a vibrant and show-stopping space.

Transaction 600.01.03*

Custom-lit feature that ships pre-fabricated and ready to plug in.

- Five-sided lightbox
- Includes layer of Ghost for light diffusion
- Installs to millwork with panel clips
- Millwork not included
- 3form HP Series™ LED lights
- Includes dimmable option
- 3 week lead time

See page 96 of the 3form Ready to Go catalog

Shelving 500.03.03*

A custom lit feature, ships pre-fabricated and ready to plug in.

- (6) Struttura™ Pep five-sided shelves
- Includes layer of Ghost for light diffusion
- Ships with blocking to mount to any substrate
- Weight bearing – 40 lbs
- 3form® LT Series™ LED lights
- 3 week lead time
- Anchoring appropriate for the substrate must be selected by the installer

See page 88 of the 3form Ready to Go catalog

Struttura Float Large + Ghost

Light Your Way

Wayfinding solutions become lit features.

Column 250.03.03

Freestanding Struttura lighted pylon.

- (1) Struttura triangular pylon
- Includes layer of Ghost for diffusion
- Approximate Footprint - 15 ¾" Triangle
- Comes standard with natural finish ash, maple or walnut base and reflective panel top
- 3form XP Series High Powered Spot
- Ideal for wayfinding
- Chroma letters - Ask your sales rep for details
- 3 week lead time

DITTO™

Lightweight, modular solution
for sculptural partitions

Our Best Ideas
are Repeated

Ditto Varia Ecoresin

Economically shipped in one box, the system is assembled on site to create partitions, wall features or ceiling canopies. Install in custom configurations for varying levels of privacy and cold bend to create curves.

Wall Feature 300.24.01*

Ditto modular wall feature with standoffs.

- (72) modular Ditto tiles
- Ditto hardware system
- Point Support hardware system to mount to wall
- Made with Varia Ecoresin®
- Explore a variety of configuration possibilities
- 3 week lead time

See page 57 of the 3form Ready to Go catalog

Partition 200.27.01*

Ditto lightweight curved suspended partition.

- (144) modular Ditto tiles
- Ditto hardware system
- Suspend™ hardware system to support curve
- Made with Varia Ecoresin
- Play with privacy options with installation configurations
- 3 week lead time

See page 46 of the 3form Ready to Go catalog

* Subject of one ore more patents pending

Ditto™ Inspired by Modular Constructivism, Ditto creates dimensional feature elements with snap together cross-shaped pieces.

Ditto Hardware

Made from extremely durable polycarbonate, Ditto hardware can withstand exterior environments.

Ditto Color Options

Made with Varia Ecoresin, Ditto is available in over 10,000 color options.

Hardware

3form® Hardware™, specifically designed to support the limitless possibilities of translucent materials.

From sliding doors to cable systems, you'll find a complete selection for all of your application needs.

[wovin]

A lightweight, acoustical system that is easy to install to walls or ceilings.

Wovin Wall adds depth, dimension and eye-catching design, while also improving the acoustics in a space. This system is also available with 3form Light Design.

Wovin Wall | FIRM Hickok Cole, DC

parametre°

A lightweight and expandable 3D textile system that creates innovative spaces that play with light.

Made of 100% non-woven polyester, this flexible textile can be used in a variety of residential or commercial applications.

Ditto

Inspired by Modular Constructivism, Ditto™ is a dimensional feature element with snap together cross-shaped pieces.

Economically shipped in one box, the system is assembled on site into partitions, wall features or ceiling canopies. Install in custom configurations for more or less privacy and cold bend to create curves.

Shapes

Turn-key solutions with fluid motion and dynamic presence add energy to a space.

Design artfully arranged installations with any combination of six sculptural forms. Specify intimate or expansive installations with edge-matched complex shapes. These shapes have infinite compositional possibilities.

Sculptural Forms | FIRM Kasian Architects, BC

GECKO

Gecko®, an adhesive textile solution transforms standard glazing installations into stunning features.

Easy-to-install to glass, Gecko provides a privacy with an element of depth. The unique silicone adhesive leaves no residue and so can be removed and re-applied as needed.

Light Art

Iconic light sculptures to create arresting show pieces for any space.

Using 3form signature Varia Ecoresin® material to create the ethereal designs, Light Art will transform your next project.

Light Art | FIRM Long Design Group, WA

Advanced Technology

Delivers cutting-edge projects that reinvent the built environment.

An innovative team that maximizes expertise from different disciplines to execute boundary-breaking sustainable solutions from conception to installation.

Varia Ecoresin | FIRM JFAK Architects, CA

Light Design

Translucent material offers unparalleled lighting opportunities.

With in-depth material knowledge and 20+ years of light design experience, 3form Light Design ensures successfully illuminated features.

Fabrication

3form Fabrication crafts personalized products, giving creativity support to succeed.

From complex projects to simple finishing details, 3form offers the world's leading fabrication capabilities to deliver turn-key solutions.

Customer Service

This dedicated and knowledgeable group is ready to answer common questions regarding pricing, available products, order status and more.

COMMITTED PEOPLE, BREAKTHROUGH PRODUCTS, BETTER PLANET.

Committed People

3form employees are a passionate, dedicated and knowledgeable group ready to assist you with simple design specification, as well as the most complex custom design solutions. Our cross-functional team of trained architects, material engineers, and structural experts, familiar with the unique properties of 3form materials, will realize and expand your innovative vision.

Breakthrough Products

From materials that break the mold, hardware solutions that simplify installations, to one-stop solutions that provide instant design possibilities, 3form has created a breadth and depth of offerings that make the connection from inspiration to installation seamless and uniquely yours.

Better Planet

Exceeding industry expectations, 3form has distinctively aggressive goals for minimizing the impact of not only our products, but our processes. Our Path to Zero goals are a commitment to continually reducing our overall environmental footprint toward the ultimate goal of total sustainability.

Please visit 3-form.com/about for more information.
