

LET OUR FURNITURE TELL
YOUR STORY

FURNITURE MANUFACTURER BASED IN MEXICO

We take great pride in our 33-year journey within the furniture industry. Beginning as distributors and evolving into manufacturers, our path has been one of growth and innovation. A pivotal moment came 12 years ago when we established our inaugural furniture factory in Mexico through a successful joint venture with Alutec, a renowned Spanish manufacturer. Today, our state-of-the-art facility resides in the prestigious industrial park in Queretaro, Mexico (PIQ), symbolizing our commitment to excellence and advancement in craftsmanship.

We embrace our client first philosophy while maintaining our commitment to environmental sustainability and social responsibility. We have the utmost priority placed on the satisfaction of both our customers and employees. From initial contact to final delivery, ensuring their complete satisfaction remains our primary focus.

Renowned for their beauty, functionality, and diversity, our designs have earned us a great reputation in the marketplace. We are proud to be a preferred supplier of interior designers, architects, purchasing agents for FF&E, cruisers, hotels, restaurants, schools, hospitals, and more... Some of the Resorts that have trusted us are Hilton, Hyatt, Sheraton, St. Regis, Ritz Carlton, Soho House, Hard Rock, Nobu, Secrets, Club Med, Xcaret, Dreams and Vidanta; while companies like Starbucks, Fishers, and many others have placed their trust in our furniture.

To ensure the best weaving quality, we use only imported Polypropylene Rope, Strap and Cord imported from Europe. Additionally, all weaving is done with exceptional Mexican hand craftsmanship.

Somos una empresa Mexicana fabricante de mobiliario y estamos muy orgullosos de nuestra trayectoria de 33 años dentro de la industria del mueble. Comenzando como distribuidores y evolucionando hasta convertirse en fabricantes, nuestro camino ha sido de crecimiento e innovación. Un momento crucial llegó hace 12 años cuando establecimos nuestra fábrica inaugural de muebles en México a través de una exitosa empresa con quien tenemos un joint venture "Alutec" quien es una renombrada fabrica Española. Hoy, nuestras instalaciones de última generación se encuentran en el prestigioso parque industrial de Querétaro, México (PIQ), lo que simboliza nuestro compromiso con la excelencia y el avance en la fabricación de nuestro mobiliario.

Nos adaptamos a las necesidades del cliente y al mismo tiempo mantenemos nuestro compromiso con la sostenibilidad ambiental y la responsabilidad social. Damos la máxima prioridad a la satisfacción tanto de nuestros clientes como de nuestros Colaboradores. Desde el contacto inicial hasta la entrega final, garantizar su completa satisfacción sigue siendo nuestro principal objetivo.

Estamos orgullosos de ser un proveedor preferido de diseñadores de interiores, arquitectos, agentes de compras para FF&E, cruceros, hoteles, restaurantes, escuelas, hospitales y más... Algunos de los Resorts que han confiado en nosotros son Hilton, Hyatt, Sheraton, St. Regis, Ritz Carlton, Soho House, Hard Rock, Nobu, Secrets, Club Med, Xcaret, Dreams y Vidanta; mientras que empresas como Starbucks, Fishers y muchas otras han depositado su confianza en nuestros muebles.

Para garantizar la mejor calidad del tejido, utilizamos únicamente Rope, Strap y cordones fabricados especialmente para nosotros en Europa. Todo nuestro mobiliario es tejido en nuestras instalaciones por manos Mexicanas.

JUAN ANTONIO RAMÍREZ FRANCO, CÓRDOBA 1959

Founder of Alutec in 1987. From the beginning he assumed and approached with great brilliance and creativity, the approach, design and manufacture of the collections that would take Alutec to the present day.

With great artistic sensitivity and extraordinary intuition, he is the designer of many of the company's most emblematic pieces.

Today he continues to lead this social and business project with the same enthusiasm as he did thirty seven years ago..

Fundador de Alutec en 1987. Desde el inicio asumió y abordó con gran brillantez y creatividad, el planteamiento, el diseño y la fabricación de las colecciones que habrían de llevar a Alutec hasta nuestros días.

De gran sensibilidad artística y una extraordinaria intuición, es el diseñador de muchas de las piezas más emblemáticas de la empresa.

Hoy sigue liderando este proyecto social y empresarial con la misma ilusión que hace treinta y siete años.

CARLOS JIMÉNEZ

Passionate about art and design since childhood, in 2008 he began his industrial design studies in Malaga to move, three years later, to Sweden attracted by Scandinavian design.

His professional experience is enriched by a wide variety of projects ranging from furniture to transport, through interior design. Solutions impregnated under a Mediterranean look that he has been able to combine elegantly with the most peculiar features of Nordic design.

His work, of an unquestionable sensitivity, has deserved multiple recognitions and/or awards.

Apasionado por el arte y el diseño desde su infancia, en 2008 comienza sus estudios de diseño industrial en Málaga para trasladarse, tres años después, a Suecia atraído por el diseño escandinavo.

Su experiencia profesional está enriquecida por una gran variedad de proyectos que van desde el mobiliario hasta el transporte, pasando por el interiorismo. Soluciones impregnadas bajo una mirada mediterránea que ha sabido combinar elegantemente con los rasgos más peculiares del diseño nórdico.

ADRIANA RAMÍREZ SÁNCHEZ

Barcelona 1988 Technical Engineer in Industrial Design from the Elisava School in Barcelona, she studied design motivated by the work she had been doing in the Technical Department of Alutec since 2005, when she joined the company.

Always aware of the latest trends, she is responsible for such well-known products as the Drina chair or the Luis-A chair. During these last years she has also been involved in the company's communication line and today she is responsible for all Alutec's marketing actions.

Barcelona 1988 Ingeniera Técnica en Diseño industrial por la Escuela Elisava de Barcelona, estudió diseño motivada por el trabajo que venía realizando en el Dpto. Técnico de Alutec desde 2005, año en el que se incorpora a la empresa.

Conocedora siempre de las tendencias más actuales, es la responsable de productos tan conocidos como la silla Drina o la silla Luis-A. Durante estos últimos años se ha involucrado también en la línea comunicativa de la empresa y hoy es la responsable de todas las acciones de marketing de Alutec.

JOSÉ MANUEL MATEO

Graduated in industrial design from the E.A.A. Llotja from Barcelona, joined Alutec in 1998 as designer and technical director. He supervises, together with Juan Antonio Ramírez, the entire design strategy of the company.

Graduado en diseño industrial por la E.A.A. Llotja de Barcelona, se incorpora a Alutec en 1998 como diseñador y director técnico. Tutela, junto a Juan Antonio Ramírez, toda la estrategia de diseño de la empresa.

PACO ESCODA

Industrial designer by ELISAVA, Escola Superior de Disseny in 1989.

He is director and founding partner of INVENIO Taller de Diseño S.L. from where he has designed all kinds of products for the most relevant companies.

He has been collaborating with Alutec since its beginnings and is responsible for many of the most emblematic models that gave Alutec its name, such as the LICEO armchair, the BAT chair or the VIENA table, among many others.

Diseñador industrial por ELISAVA, Escola Superior de Disseny en el año 1989.

Es director y socio fundador de INVENIO Taller de Diseño S.L. desde donde ha proyectado todo tipo de productos para las empresas más relevantes.

Viene colaborando con Alutec desde sus inicios y es el responsable de gran parte de los modelos más emblemáticos que dieron nombre a Alutec, como el sillón LICEO, la silla BAT o la mesa VIENA, entre muchos otros. .

DAMIÁN LÓPEZ

In 2011 he founded LEBLUME, his own design studio, initially located in Valencia and later moved to Malaga, his hometown.

Trained as an industrial designer, he currently works on interior, product and graphic design projects.

Under this multidisciplinary vision; communication, space and objects work together to offer a new 360° user experience.

Through simplicity, the use of traditional materials and craft techniques that he works with a modern perspective and combines with contemporary elements, he always manages to surprise us with solutions of great uniqueness and character.

En 2011 funda LEBLUME, su propio estudio de diseño, ubicado inicialmente en Valencia trasladado posteriormente a Málaga, su ciudad natal.

Formado como diseñador industrial, en la actualidad aborda proyectos de interiorismo, producto y diseño gráfico.

Bajo esta visión multidisciplinar; la comunicación, el espacio y los objetos se trabajan conjuntamente para ofrecer una nueva experiencia de usuario 360°.

A través de la simplicidad, el uso de materiales tradicionales y de técnicas artesanales que trabaja con una perspectiva actual y que combina con elementos contemporáneos, logra siempre sorprendernos con soluciones de gran singularidad y carácter.

MANTENIMIENTO:

MADERAS TROPICALES:

Es importante aplicar aceite hidratante de madera, para exteriores, que lo proteja cada vez que note resequedad en la madera derivado de las condiciones propias de la naturaleza y el uso que se dé al mobiliario:

1. Limpie con un paño suave húmedo con una mezcla de agua y jabón líquido neutro, si prefiere puede utilizar un atomizador para su aplicación.
 2. Frote con un paño suave para remover la suciedad.
 3. Seque con un paño seco suave.
 4. Aplique el aceite hidratante para madera, por ambos lados de la superficie con una brocha de pelo suave o trapo (aplique solo la cantidad de producto que la madera pueda absorber y deje reposar).
- Limpie con un paño seco (realice este paso únicamente si existe un exceso de aceite hidratante para evitar un acabado pegajoso).

ALUMINIO Y ACERO.

Para conservar su acabado estético y funcionalidades como el primer día es importante tener su cuidado periódico y los siguientes puntos:

1. Limpie con un paño seco para remover el polvo o partículas.
2. Frote con un paño húmedo para remover la suciedad.
3. Seque con un paño seco.
4. Nunca usar limpiadores ácidos.
5. No limpiar el metal cuando este muy caliente o muy frío al tacto.
6. No frotar con abrasivos para remover manchas difíciles.

IMPORTANTE NO USAR:

- Ácidos Clorhídricos (Cloro).
- Abrasivos.
- Disolventes (Acetonas, Recinas sintéticas, etc.).
- Pulidores.

TEXTILENE:

Para mantener en buen estado su malla textilene al exterior, le recomendamos los siguientes puntos:

1. Cepille la suciedad suelta.
2. Limpie la malla con agua usando una manguera.
3. Prepare una mezcla limpiadora de agua y jabón suave natura (no detergente).
4. Use un cepillo de cerdas suaves para limpiar.
5. Enjuague completamente y seque al aire libre.

TELA PREMIUM PARA EXTERIOR:

1. Cepille para quitar toda la suciedad.
2. Prepare una mezcla limpiadora de agua y jabón suave natura (no detergente), use un cepillo de cerdas suaves para limpiar.
3. Enjuague completamente y seque al aire libre.

TEJIDOS:

Para mantener en buen estado su tejido al exterior le recomendamos los siguientes puntos:

1. Limpie con un paño suave húmedo con una mezcla de agua y jabón líquido neutro, si prefiere puede utilizar un atomizador para su aplicación.
2. Frote con un paño suave para remover la suciedad.
3. Seque con un paño seco suave.

IMPORTANTE NO USAR:

- Ácidos Clorhídricos (Cloro).
- Abrasivos.
- Disolventes (Acetonas, Recinas sintéticas, etc.).
- Pulidores.

CUBIERTAS ESTRATIFICADAS Y COMPACT:

Para mantener en buen estado su cubierta estratificada al exterior, le recomendamos los siguientes puntos:

1. Limpie con un paño seco para remover el polvo o partículas.
2. Frote con un paño húmedo para remover la suciedad.
3. Seque con un paño seco.
